LETTER OF RECOMMENDATION

Dear Sir/Madam

it is my pleasure to recommend student Dora Rebeka Kunštić for the Internship Programme.

I got to know student Dora Rebeka Kunštić who attended two courses which I teach (Geochemistry, Petrology of magmatic and metamorphic rocks) during her study of Geology at the Faculty of Mining, Geology and Petroleum Engineering, University of Zagreb. She is good and highly motivated student and display a great ability to work in a team as also persistent wish for self-development.

Regarding Dora Rebeka's personal characteristics it should be stressed that she has good communication skills and is very active in different student associations. She works as a secretary in student section of Croatian Geological Society, acts as volunteer in the frame of Annual Student Energy Conferences (ASEC 2019, ASEC 2020), American Association of Petroleum geologists (AAPG) Society of Petroleum Engineers (SPE) and international youth organization AIESEC.

I recommend her for the further education and work in the frame of Internship Programme.

Please let me know if you need any further informations.
